**Selling Poppies for my Next High
Finding Jesus got me out of a life of crime**

[London, UK – October 2022] Press Release of the book **‘From Darkness to Light: Nigel’s Story’** written by **Andy Bates**, which is about Nigel Williams who despite his horrendous start in life Nigel is now an amazing ambassador for God.

DESCRIPTION

Nigel knew only one way to make money and that was scamming and stealing from people. In this biography, Nigel explains how he persuaded a man who was selling poppies to make him a volunteer so he can also sell poppies for the brave men and women who fought and the families of those who lost their lives in the wars and give it to the British Legion (a charity that helps heroes and families of those lost in the war). The man was persuaded when Nigel explained how he also served in the war, this was false but a way for him to get his hands on the poppies. Once he convinced the man and got a box of these fancy looking red flowers, he used all the money on drugs. This is Nigel’s testimony of what he was and what he has become now evangelising in the streets of the grace of God on one’s life.
