DANGEROUS AND ADDICTIVE *A message for young people*

[London, UK– December 2022] Press Release of the book **‘I Will Never Leave You’** written by **Mary Marriott**, about young adults who, having left behind their childhood, are having to cope with the human metamorphosis into adulthood.

DESCRIPTION

Mary illustrates beautifully about the gap in the generations and how young people today need help to navigate their lives into adulthood. She especially describes the pressures that they face and how they can handle it.

Mary looks at how we are living in a digital generation and how addictive and dangerous social media can be. *She says ‘we are caught up in the spider web – www (world wide web) or 666 which is the number of the beast in Hebrew and Greek.... But we have a choice as to its usage, and for this we need wisdom.’*

This book is a lovely guide for young people to learn life lessons, that they don’t need to do it on their own, they have the Father helping them along the way through His Word and He said He will never leave us.

AUTHOR

Mary Marriot was qualified by the Holy Spirit to write. She lived alone in Kent and has five grown up children. As she wrote and learned, she wanted to pass on this learning to others. She found this pleasing to her soul; thus, it must be pleasing to Him, our Saviour Jesus Christ.

PRESS RELEASE

A CRISIS IN THE CHURCH *The gospel falls on deaf ears*

[London, UK– December 2022] Press Release of the book ‘**Breaking Through and Breaking Out**’ written by **Gordon Campbell**, about the sovereign purpose of God which has always been to build the Kingdom of the Gospel of the Lord Jesus Christ and populate the planet with New Humanity – the Church.

DESCRIPTION

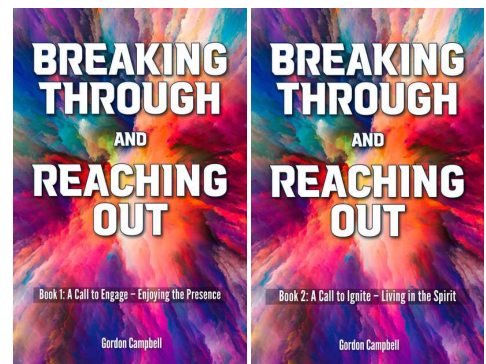

Gordon describes in his book about the crisis in discipleship. The ideal is to follow Jesus as the first disciples did, which is to make a commitment by leaving everything behind and following Him. But these days there is a demand to hang lose to this age and the possessions that are part of the western or developing world. The words that Gospels tell us fall on deaf ears to a church that has sold out to materialism. *“The Lord may never ask us to give up everything we own, but he does want to know if he comes before everything we have.”*
